Special Project Grant Exceptions Form

FASA Special Project Grants' jury wishes to maintain all regulations and deadlines standard to everyone who obtains funding through FASA in order of fairness and transparency; FASA Finance realizes that in rare occurrences exceptions need to be made for extenuating circumstances beyond normal control. If you feel you deserve an exception please attach this form to your Special Project Grant application answering the following questions (please no more than one page for all questions):

1) Describe the item, guideline, etc that you would like an exception to.

2) Exact reasons why you feel you deserve an exception.

3) Describe extenuating circumstances which prohibited you from adhering to standard/guideline as outlined.

4) Describe what you feel would be a possible solution.

Jury members will discuss your situation alongside your SPG application and inform you of the decision rendered through email.
